CURRENT RESIDENTS

PGY-3 Residents

Matthew Humphreys, MD

Matthew is an Undersea Medical Officer in the US NAVY Medical Corps where he has worked with Navy SEALs, EOD, and the Navy in Afghanistan. In addition to his studies, Matt enjoys his free time surfing and going to the beach with his wife and four children.

Ryan Moran, MD
Ryan holds a Bachelor's in Economics from the University of California, Davis and earned his MD from the University of Arizona. His interest in preventive medicine is focused on the role of economic incentives with tobacco. His preventive medicine interests lie between health policy, health economics and clinical care.

Porchia Rich, MD, MPH, MSW

Porchia grew up in San Diego, California, and earned her bachelor's in Psychology from the University of California, San Diego.
CURRENT RESIDENTS

Deepa Sannidhi, MD

Deepa was born and raised in New Jersey. She attended Rutgers University where she earned her Bachelor's degree in Biology and then continued on to medical school at New York City College of Health Professions where she received her MD. She enjoys reading, cooking, and painting in her free time. She even blogs about it! She's super excited to explore San Diego with her husband and high school sweet-heart.

David Crabtree, MD

David grew up in rural southwestern Virginia and graduated from East Tennessee State University with University Honors and a degree in Molecular and Cellular Biology. He attended medical school at East Tennessee State University and completed his residency in Family Medicine in 2014. In his free time, David enjoys running, swimming, spending time with his dog “Marlo,” and going to electronic dance music festivals.
CURRENT RESIDENTS

Emily McDonald, MD

Samuel Park, MD

After earning his M.D. at the University of California San Diego School of Medicine, Sam decided to switch paths from a solo general practice and part-time in a physician leadership/management role with a focus on quality and performance improvement.

Sankar Sridaran, MD
Amish Talwar, MD

Amish received his BA in Political Science from Rutgers University before completing his MD at Columbia University. His areas of interest include medicine with a focus on global health. His areas of interest also include vector-borne diseases and health informatics.
