PGY-3 Residents

Jonathan Unkart, MD

PGY-3

Ryan Moran, MD
Ryan holds a Bachelor’s in Economics from the University of California, Davis and earned his MD from the University of Virginia. He enjoys applying health policy and economic incentives with tobacco. His preventive medicine interests lie between health policy, health economics and clinical care.

Daniel Correll, DO

Dr. Correll, a San Diego native and UCSD alumnus, graduated from Midwestern University's Arizona College of Osteopathic Medicine. He is interested in infectious disease, public health, global health, preparedness and quality improvement. His research focus is on the association between diabetes and carcinogenesis.
CURRENT RESIDENTS

Deepa Sannidhi, MD
Deepa was born and raised in New Jersey. She attended Rutgers University where she earned her Bachelor’s degree in Psychology and then attended medical school at New York University. She is currently completing her residency in the OBGYN program, and is excited to be in San Diego with her husband and high school sweetheart.

Emily Bruno, MD
Emily is a diplomat-turned-doctor, coming to medicine after two years as a Peace Corps Volunteer in Ethiopia. For her service, she was awarded the President’s Volunteer Service Award. Afterward, she completed her medical education at Drexel University College of Medicine. Emily loves running and doing yoga in her free time. She also enjoys spending time with her four dogs that she rescued from Darfur.

Amutha Rajagopal, MD
Amutha was born in India and grew up in New Jersey. She attended Rutgers University where she earned her Bachelor’s degree in Psychology and then attended medical school in India. She is currently completing her residency in the OBGYN program, and is excited to explore San Diego with her husband and high school sweetheart.
CURRENT RESIDENTS

Bryan Long, MD
PGY-2
