PGY-3 Residents

Matthew Humphreys, MD

Matthew is an Undersea Medical Officer in the US NAVY Medical Corps where he has worked with Navy SEALs, EOD, and the Navy.

Ryan Moran, MD
Ryan holds a Bachelor's in Economics from the University of California, Davis and earned his MD from the University of California, San Francisco. His research interests include health behavior economics and risk incentives with tobacco. His preventive medicine interests lie between health policy, health economics and clinical care.

Porchia Rich, MD, MPH, MSW

Porchia grew up in San Diego, California, and earned her bachelor's in Psychology from the University of Chicago. She went on to earn her MPH in epidemiology from the University of California, Berkeley and her MSW in public health from the University of California, Berkeley. She completed her residency program at the University of Southern California School of Medicine. Porchia enjoys Pilates, watching classic movies, and spending time with her fiancé and two young sons.
CURRENT RESIDENTS

Deepa Sannidhi, MD

Deepa was born and raised in New Jersey. She attended Rutgers University where she earned her Bachelor's degree in Psychology and a Master’s degree in Public Health. Later, she completed her MD at the University of Alabama School of Medicine. She enjoys cooking at home and exploring food culture. She has a passion for patient education and shares her knowledge on nutrition and health management in her blog. Deepa is thrilled to call San Diego her new home and is looking forward to spending time with her husband, a high school sweetheart.

PGY-2 Residents

David Crabtree, MD

David grew up in rural southwestern Virginia and graduated from East Tennessee State University with University Honors. He completed his residency training at the University of California, San Diego. In his free time, David enjoys running, swimming, spending time with his dog “Marlo,” and going to electronic dance music festivals.
After earning his M.D. at the University of California San Diego School of Medicine, Sam decided to switch paths from a large academic practice and part-time in a physician leadership/management role with a focus on quality and performance improvement.
Amish Talwar, MD

Amish received his BA in Political Science from Rutgers University before completing his MD at Columbia University. His areas of interest include global health and vector-borne diseases.
