PGY-3 Residents

Matthew Humphreys, MD

Matthew is an Undersea Medical Officer in the US NAVY Medical Corps where he has worked with Navy SEALs, EOD and the Navy SEALs Foundation. In addition to his studies, Matt enjoys his free time surfing and going to the beach with his wife and four children.

Ryan Moran, MD
Ryan holds a Bachelor's in Economics from the University of California, Davis and earned his MD from the University of Maryland with a focus on tobacco incentives in health care.

Porchia Rich, MD, MPH, MSW

Porchia grew up in San Diego, California, and earned her bachelor's in Psychology from the University of California, San Diego, followed by a Master's of Public Health and a Master's of Social Work from the University of Southern California. She is passionate about patient-centered care, public health, and social determinants of health.
Deepa Sannidhi, MD

Deepa was born and raised in New Jersey. She attended Rutgers University where she earned her Bachelor’s degree in Psychology. She went on to receive her MD from the Université de Montréal. She completed a residency in Internal Medicine-Pediatrics at the University of Virginia. Deepa is excited to explore San Diego with her husband and high school sweetheart, and she enjoys hiking, trying new food, and blogging about it! She's super excited to explore San Diego with her husband and high school sweet-heart.

David Crabtree, MD

David grew up in rural southwestern Virginia and graduated from East Tennessee State University with University Honors. After completing an Internal Medicine residency at the University of Virginia, David is excited to explore San Diego with his dog “Marlo.” He enjoys running, swimming, and attending electronic dance music festivals.
CURRENT RESIDENTS

Emily McDonald, MD

Samuel Park, MD

After earning his M.D. at the University of California San Diego School of Medicine, Sam decided to switch paths from a full-time medical practice to part-time in a physician leadership/management role with a focus on quality and performance improvement.

Sankar Sridaran, MB
Amish Talwar, MD

Amish received his BA in Political Science from Rutgers University before completing his MD at Columbia University. His interest lies in providing care to underserved populations and improving health equity. He is passionate about public health, especially in the context of infectious diseases and global health. His areas of interest include vector-borne diseases and health informatics.
