PGY-3 Residents

Jonathan Unkart, MD

PGY-3

Ryan Moran, MD
Ryan holds a Bachelor's in Economics from the University of California, Davis and earned his MD from the University of Arizona. His preventive medicine interests lie between health policy, health economics and clinical care.

Daniel Correll, DO

Dr. Correll, a San Diego native and UCSD alumnus, graduated from Midwestern University's Arizona College and has a special interest in diabetes and carcinogenesis.
CURRENT RESIDENTS

Deepa Sannidhi, MD
Deepa was born and raised in New Jersey. She attended Rutgers University where she earned her Bachelor's degree in Biology and her Master's degree in Public Health. She then attended medical school at Columbia University, where she became passionate about endocrinology and diabetes. She is excited to be learning about it. She even blogs about it! She's super excited to explore San Diego with her husband and high school sweet-heart.

Emily Bruno, MD
Emily is a diplomat-turned-doctor, coming to medicine after two years as a Peace Corps Volunteer in Ethiopia. She earned her B.A. in Biology at Stanford University and her M.D. at the University of California, San Francisco. She spends her free time running and doing yoga, as well as hanging out with the four dogs she rescued from Darfur.

Amutha Rajagopal, MD
Amutha was born and raised in Chennai, India. She attended the University of Michigan where she earned her B.S. in Biology and her M.D. She completed her residency in Internal Medicine at the University of California, San Francisco. She is excited to be learning about endocrinology and diabetes in San Diego.
