PGY-3 Residents

Matthew Humphreys, MD

Matthew is an Undersea Medical Officer in the US NAVY Medical Corps where he has worked with Navy SEALs, EOD and the Navy's Combat Divers. In addition to his studies, Matt enjoys his free time surfing and going to the beach with his wife and four children.

Ryan Moran, MD
Ryan holds a Bachelor's in Economics from the University of California, Davis and earned his MD from the University of California, San Francisco.

Porchia Rich, MD, MPH, MSW

Porchia grew up in San Diego, California, and earned her bachelor's in Psychology from the University of Chicago and her MPH and MSW from the University of California, Berkeley.
CURRENT RESIDENTS

Deepa Sannidhi, MD

Deepa was born and raised in New Jersey. She attended Rutgers University where she earned her Bachelor's degree in Chemistry. After graduation, she went on to medical school at the University of Vermont, where she served as president of the student body and was inducted into the Alpha Omega Alpha medical honor society. Deepa enjoys spending time with her husband and exploring San Diego. She is excited to share her enthusiasm for medicine with the residents here.

David Crabtree, MD

David grew up in rural southwestern Virginia and graduated from East Tennessee State University with University Honors. He then attended the University of Virginia School of Medicine, where he served as student body president and received the Paul D. Kincer Award for Clinical Excellence. In his free time, David enjoys running, swimming, spending time with his dog "Marlo," and going to electronic dance music festivals.
CURRENT RESIDENTS

Emily McDonald, MD

Samuel Park, MD

After earning his M.D. at the University of California San Diego School of Medicine, Sam decided to switch paths from a primary care practice and part-time in a physician leadership/management role with a focus on quality and performance improvement.

Sankar Sridaran, MD
Amish Talwar, MD

Amish received his BA in Political Science from Rutgers University before completing his MD at Columbia University. His interests lie in the field of medicine with a focus on global health. His areas of interest also include vector-borne diseases and health informatics.
