Lieutenant Commander Charles D. Martin was assigned to the USS Carl Vinson (CVN 70) and completed...
Emily Bruno, MD

Emily is a diplomat-turned-doctor, coming to medicine after two years as a Peace Corps Volunteer in Ethiopia.
Amutha Rajagopal, MD

PGY-3

Bryan Long, MD

Bryan is a LCDR in the Navy completing a FTOS residency option. He completed his internship in internal medicine at the University of Wisconsin and was a physician assistant at a clinic in South Africa. He is interested in the military and medically underserved populations.
CURRENT RESIDENTS

Thomas Kocher, MD

Thomas is a board-certified pathologist with professional interests including cancer epidemiology in special populations and applications of molecular methods to epidemiology.

PGY-2 Residents

Marsha-Gail Davis, MD

Dr. Davis originally hails from the beautiful island of Jamaica. She received her BA from Swarthmore College and her MD from the University of Pennsylvania. In her free time, she enjoys doing anything creative, cooking and most importantly eating. She also speaks Spanish and is skilled in public speaking.
CURRENT RESIDENTS

Angelo Asheh, DO

Angelo was born and raised in New England and has since migrated to the West Coast. Angelo began his journey in medical school... onto how we can use all of the tools at one's disposal to prevent illnesses and assist those with addiction disorders.

Christopher Granda, DO

Christopher Granda, DO, is a PGY-2 resident, dedicated to his passion and pursuit of becoming a proficient physician.
Anastasia Maletz, DO

Anastasia is a home grown Oregonian who loves good food and the great outdoors. Having grown up with fresh local produce in her kitchen, she understands the importance of controlling one’s own health through what they eat, how they move, and by creating health in the environment around them.

Michael Austin, DO

Dr. Austin is currently an active duty US Navy physician born and raised in beautiful Sonoma County, Northern California. After college, he attended Stanford University School of Medicine with a particular interest in linking diet, exercise and environmental determinants to disease prevention.
