PGY-3 Residents

Matthew Humphreys, MD

Matthew is an Undersea Medical Officer in the US NAVY Medical Corps where he has worked with Navy SEALs, EOD and the Navy SEAL Undersea Escape Team. In addition to his studies, Matt enjoys his free time surfing and going to the beach with his wife and four children.

Ryan Moran, MD
Ryan holds a Bachelor's in Economics from the University of California, Davis and earned his MD from the University of California, San Francisco.

Porchia Rich, MD, MPH, MSW

Porchia grew up in San Diego, California, and earned her bachelor's in Psychology from the University of Chicago.
CURRENT RESIDENTS

Deepa Sannidhi, MD
Deepa was born and raised in New Jersey. She attended Rutgers University where she earned her Bachelors degree in Chemistry and a Masters in Medical Science. She went on to attend medical school at Thomas Jefferson University. After completing her internship at Cooper University Hospital, she moved to San Diego for her residency. She is always learning about nutrition and exercise and is fascinated by healthy living. She even blogs about it! She's super excited to explore San Diego with her husband and high school sweet-heart.

David Crabtree, MD
David grew up in rural southwestern Virginia and graduated from East Tennessee State University with University Honors in Health Science. After attending the University of Virginia School of Medicine, he completed his internship at the Medical College of Wisconsin in Milwaukee. He is especially interested in sports medicine and enjoys running, swimming, spending time with his dog "Marlo," and going to electronic dance music festivals.
CURRENT RESIDENTS

Emily McDonald, MD

Samuel Park, MD

After earning his M.D. at the University of California San Diego School of Medicine, Sam decided to switch paths from a ... practice and part-time in a physician leadership/management role with a focus on quality and performance improvement.

Sankar Sridaran, MD

Sankar Sridaran, MB
Amish Talwar, MD

Amish received his BA in Political Science from Rutgers University before completing his MD at Columbia. He then went on to do his residency in medicine with a focus on global health. His areas of interest also include vector-borne diseases and health informatics.
