CURRENT RESIDENTS

PGY-3 Residents

Charles Martin, DO

Lieutenant Commander Charles D. Martin was assigned to the USS Carl Vinson (CVN 70) and completed...
CURRENT RESIDENTS

Emily Bruno, MD

Emily is a diplomat-turned-doctor, coming to medicine after two years as a Peace Corps Volunteer in Ethiopia. Following her service, she completed her medical training and now focuses on preventive medicine and public health. In her free time, she enjoys running and doing yoga, and she spends a lot of time with the four dogs she rescued from Darfur.
Amutha Rajagopal, MD

PGY-3

Bryan Long, MD

Bryan is a LCDR in the Navy completing a FTOS residency option. He completed his internship in internal...
CURRENT RESIDENTS

Thomas Kocher, MD

Thomas is a board-certified pathologist with professional interests including cancer epidemiology in special populations and applications of molecular methods to epidemiology.

PGY-2 Residents

Marsha-Gail Davis, MD

Dr. Davis originally hails from the beautiful island of Jamaica. She received her BA from Swarthmore College and went on to medical school at the University of Pennsylvania. She enjoys doing anything creative, cooking and most importantly eating. She also speaks Spanish and is skilled in public speaking.
CURRENT RESIDENTS

Angelo Asheh, DO

Angelo was born and raised in New England and has since migrated to the West Coast. Angelo began his journey in medical school and has since moved onto how we can use all of the tools at one’s disposal to prevent illnesses and assist those with addiction disorders.

Christopher Granda, DO

PGY-2
Anastasia Maletz, DO

Anastasia is a home grown Oregonian who loves good food and the great outdoors. Having grown up with fresh local produce and active pursuits, she has a love for healthy living and sees the value in allowing her patients control of their own health through what they eat, how they move, and by creating health in the environment around them.

Michael Austin, DO

Dr. Austin is currently an active duty US Navy physician born and raised in beautiful Sonoma County, Northern California. He received his medical degree from the Medical University of South Carolina. He has a special interest in linking diet, exercise and environmental determinants to disease prevention.
