PGY-3 Residents

Matthew Humphreys, MD

Matthew is an Undersea Medical Officer in the US NAVY Medical Corps where he has worked with Navy SEALs, EOD, and the Navy SEAL Engineering and Medical Unit. In addition to his studies, Matt enjoys his free time surfing and going to the beach with his wife and four children.

Ryan Moran, MD
Ryan holds a Bachelor’s in Economics from the University of California, Davis and earned his MD from the University of California, San Francisco. His preventive medicine interests lie between health policy, health economics and clinical care.

**Porchia Rich, MD, MPH, MSW**

Porchia grew up in San Diego, California, and earned her bachelor’s in Psychology from the University of California, San Diego. She followed that with a master’s in Social Work from San Diego State University and then a MPH in epidemiology from the University of California, Berkeley. Porchia is interested in facilitating the access to quality care for the underserved and vulnerable at the intersection between health services and health policy. Porchia enjoys Pilates, watching classic movies, and spending time with her fiancé and two young sons.
CURRENT RESIDENTS

Deepa Sannidhi, MD

Deepa was born and raised in New Jersey. She attended Rutgers University where she earned her Bachelor of Arts in Zoology with a minor in Mathematics. Deepa completed her medical education at the University of Virginia School of Medicine. She enjoys cooking, running, and cheering on the New York Giants with her husband.

David Crabtree, MD

David grew up in rural southwestern Virginia and graduated from East Tennessee State University with University Honors. He completed medical school at East Tennessee State University and enjoys running, swimming, spending time with his dog "Marlo," and going to electronic dance music festivals.
CURRENT RESIDENTS

Emily McDonald, MD

Samuel Park, MD

After earning his M.D. at the University of California San Diego School of Medicine, Sam decided to switch paths from a full-time general practice and part-time in a physician leadership/management role with a focus on quality and performance improvement.

Sankar Sridaran, MD
Amish Talwar, MD

Amish received his BA in Political Science from Rutgers University before completing his MD at Columbia. His specialty is medicine with a focus on global health. His areas of interest also include vector-borne diseases and health informatics.
